

SONIC PHONICS

A brand new classroom resource designed to make learning about phonics fun!

Features:

Set contains 51 Electronic Sound Buttons that play individual letter and digraph sounds.

Explore letter combinations by building different words.

Designed for all children and adults who are learning to read or find reading difficult.

Ideal for those with English as an additional language.

A multi-sensory resource that is motivational and fun!

Sound Buttons with built-in magnets!

Supports programmes such as Letters and Sounds

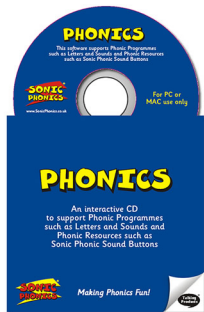

51 Sound Buttons that relate to all letters and digraphs used in Phases 2, 3 and 4.

Ideal for Reception and Year One pupils who are learning to pronounce sounds correctly.

Build words using the special Holding Tray, (included).

Includes Phonics Software

Hear sounds and watch video clips of mouth movements. Designed for parents to give their child extra support at home.

Phonics Software (included)
