

TALKING COASTERS

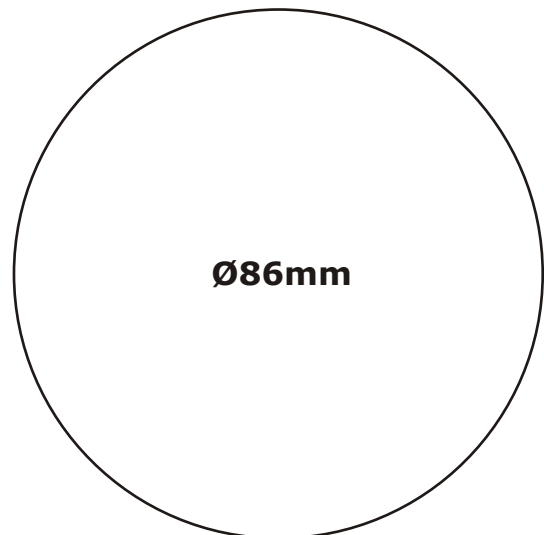

This fun item makes a great promotional gift. It will stay on your customers desktop and be played time and time again! The Coasters are approx. 100mm Diameter by 12mm thickness and have a space on the top for an artwork sticker.

You can choose any voice message or sound effect up to 30 seconds long. The sound can be programmed to play either as a cup is placed onto the Coaster or as a cup is lifted off. The base colour can be specified for orders over 5,000pcs.

Please call us for a quotation.
